

JUST A REMINDER . .
This is the last month of your
Earned Discount Privilege!

This is the last month that you can order any number of
Mary Kay products you want for 50% off OR you can
place at least a \$200 wholesale order and renew your
discount for this month and the next two months!

REMEMBER,
you will not receive a
commission check on your
personal recruits if you are
not active!!

You can take full advantage of the Mary Kay opportunity, keep your Earned Discount Privilege, continue building your team - including earning personal team commissions, and maintain your "active" status just by placing a minimum Section 1 \$200 wholesale (\$400 retail) order before the last business day of this month.
